Life couldn't exist without trees. Currently, the world faces the challenges of climate change and wildlife preservation, along with having to support billions of people. We need solutions. And trees could hold the answer.

HOBBIES AND INTERESTS

Table Tennis

I played professional table tennis for 2 years. I have 1 city championship in table tennis. I'm just playing as a hobby right now.

Hiking

As a software engineer, we can stay still for a long time because we spend so much time on the computer. Therefore, it is a very good hobby to Hiking regularly.

Play Chess

Playing chess is a hobby that requires a lot of focus. So chess helps me stay focused.
